

Graphic Designer Volunteer required

Are you or someone you know creative?

Can you or someone you know help us with marketing artwork and graphic design to encourage more people to volunteer with us?

We need help to design a recruitment and outreach gazebo to raise our brand profile and attract new volunteers from the communities we serve.

Help us design clothing such as T-shirts, hats etc. to make us stand out in the crowded marketplace of voluntary organisations.

Skills required: -

- Have an understanding of branding and marketing, and be able to look for the right style and layout for the projects.
- Work on a range of projects and media, using various software programs to visualise and develop innovative graphic designs that meet organisational goals.
- Obtain input from managers and team members to ensure that designs meet organisational standards and brand expectations when expressing ideas.
- Work independently as well as with marketing and recruitment team.
- Examine existing processes, identify flaws, and create solutions that improve design capabilities.
- Assist with translating strategic direction into high-quality design within an established brand identity.
